

A Grand for Her Christmas

You may never again, have an opportunity to make such wise investments as we offer you this Christmas. We don't know

of any one store which offers so many world-famous makes as we offer, or such a variety of each make, and each one is priced at the lowest price at which it can be bought in the United States.

It Will Prove An Ever-Living Remembrance of Your Everlasting Love to Her

You can select your grand piano at our store most advantageously, for you have a side-by-side comparison, not

only each make, but each individual piano has its own marked characteristic. Choose the one that pleases you most and that is the identical Piano that will be sent to your home.

Here is a Grand to suit every taste, and fit every pocketbook and home. You will be surprised and delighted at the tone and volume of the exquisitely designed Elburn Baby Grand. It is made especially to occupy the least possible space--in fact, it occupies no more usable space than an upright.

OUR PRICES are all subject to terms for your convenience. No matter what you pay, you have the benefit of our **service** and a quality back of which we stand. The prices run \$460, \$500, \$535, \$550, \$575, \$600, \$650, \$750, \$825, \$900, \$1,000, \$1,100, \$1,200, \$1,350, \$1,500, \$1,950, \$2,150, \$2,750.
